## Press Releases Portfolio Recovery Associates Reports First Quarter 2006 Results

NORFOLK, VA, Apr 25, 2006 -- Portfolio Recovery Associates, Inc. (NASDAQ: PRAA), a company that purchases and manages portfolios of defaulted consumer receivables and provides a broad range of accounts receivable management services, today reported net income of \$10.7 million, or \$0.67 per diluted share, for the quarter ended March 31, 2006.

The Company's first-quarter 2006 earnings represent growth of 20% from net income of \$8.9 million, or \$0.55 per diluted share, in the same period a year earlier.

Total revenue increased 27% to \$45.3 million in the first quarter of 2006, up from \$35.8 million in the year-earlier period. Total revenue consists of cash collections reduced by amounts applied to the Company's owned debt portfolios plus commissions from its fee-for-service businesses. During the first quarter of 2006, the Company applied 32.7% of cash collections to reduce the carrying basis of its owned debt portfolios. This included a \$175,000 allowance charge against two pools of accounts.

"Portfolio Recovery Associates celebrated 10 years in business on March 20th, and our performance in the first quarter is representative of the success we have had over that period. Cash collections rose 22% in the quarter to \$58.5 million, and in March we set a monthly collections record -- surpassing \$20 million for the first time ever. On the purchasing side, we spent a solid \$16.2 million, returning to more historical debt-acquisition levels following our remarkable fourth quarter. While portfolio pricing remains very competitive, deal flow was good during the period," said Steven D. Fredrickson, Chairman, President and Chief Executive Officer.

Financial and Operating Highlights

- -- Cash collections rose 22% to \$58.5 million in the first quarter of 2006, up from \$47.8 million in the year-ago period.

- The Company purchased \$3.87 billion of face-value debt during the first quarter of 2006 for \$16.2 million. This debt was acquired in 36 pools from 16 different sellers.
- The Company's fee-for-service businesses generated record revenue of \$6 million in the first quarter of 2006, up from \$3.5 million in the same period a vear ago.

"Portfolio Recovery Associates continued to demonstrate the value of our long-term, disciplined approach to debt purchasing and collection in the first quarter. Cash collections were strong, and despite solid debt purchases we were able to completely repay the \$15 million that had been outstanding on our line of credit at year-end 2005. In addition, we were able to build our cash balances to \$23.4 million by quarter's end. Our fee-for-service businesses executed nicely, producing record revenue of \$6 million in the quarter.
