Patrick Scott, vice president of operations and service technology for PRA Government Services, said, "George's experience in large enterprise and technology sales will allow us to expand our cutting-edge services and support to our state and local government clients in the Northeast."

During his nearly 10 years in the sales industry, Keels has led sales executive teams and developed marketing strategies to turn around struggling sales regions. His background also includes experience in large enterprise technology sales, vendor management, project management and contract negotiations. He earned a bachelor of administration degree in business marketing from Richard Stockton College of New Jersey.

To date, PRA Government Services, LLC companies have processed more than \$10 billion in business taxes and recovered in excess of \$2.4 billion in business tax revenue for 950 municipalities across the United States.

About PRA Government Services, LLC
